TOWNSHIP COMMITTEE MEETING MINUTES  
February 28, 2018**

- Wastewater Treatment Plant Compliance Update – Kleinfelder Capacity Assurance Report review by Tim Bradley. Mr. Bradley gave a power point presentation which reviewed the outcome of the Capacity Study. The Power Point will be posted on line. In summary, the recommended implementation of Plant Expansion for Future Flow and Compliance with the new Phosphorus Limit will cost \$3.6 million.
- Wastewater Treatment Plant Management – The Committee and DPW Director Sweeney discussed the possibility of contracting out the management of the plant – they discussed current and future staffing, crossover use of staff, what services would be provided by an outside company and the possibility of putting out a bid. If attorney Pidgeon confirms the Township can put out a bid with a right to reject all bids, the Committee agree to put the bid out. Different possibilities of funding the work were discussed and the Committee requested Ms. Malool come back with the financial summaries of payments with different lengths of payoff.
- Stirling Hotel Rezoning – The Hotel was requesting the Committee consider rezoning their split lot so it would be a business zone in its entirety. After lengthy discussion of the current zoning and upcoming master plan changes, the Committee directed Attorney Pidgeon to speak with the Hotel's attorney and see if they are willing to wait until the Master Plan changes are implemented.

**LIAISON:**

Committeeman Meringolo – No report.

Committeeman Schuler – No report.

Deputy Mayor Dorsi:

- We are expecting the wastewater system to bypass the sand filters in the expected storm this weekend.

Committeeman Rae – No report.

Mayor Piserchia: Spoke at length about the Townships affordable housing obligation, the state's COAH mandates, thanked Attorney Pidgeon and Planner Jessica Caldwell for their excellent work in getting our obligation to the 54 rental and 72 market units. He also clarified comments that had been made by some residents that the Township has the option to NOT rezone the TIFA site. This is not true. There will be a new tab put on the website that will have information of the affordable housing unit sites being considered.
