LIAISON REPORTS:

- **Committeeman Verlezza** reported that the Rec Committee met and discussed sending out Community Forum Survey Monkey to get ideas from residents on programs and how to improve facilities at Stirling Lake to make itself sustaining. Committeeman Verlezza asked the Township Committee to allow Watchung Hills High School Tennis Team to use Kantor Field Tennis Courts 2:30-4:30 during week while the High School Tennis Courts are under construction. Committeeman Verlezza reported that the Vision Committee met and discussed the proposed park project. Walking the proposed trail and looking into applying for trail grants in the future.
- **Committeeman Schuler** added to Vision Committee report. The land diversion is ongoing and will probably will take an additional 9-10 months. Hoping to get at least one walking trail from Morristown to Railroad.
- **Committeeman Dorsi** reported that DPW will be collecting Christmas Trees for one more week. The aluminum can trailer was taken out and received \$200 which was donated to Saint Barnabus, Committeeman Dorsi reported OEM put out email about Smart 911 that they received a message from vendor about emergency message notification. Program requires that you update your account every 6 months.
- **Mayor Rae** reported police statistics and urged residents to utilize the different police initiatives including Vacant House Check Program and Operation Good Morning.

ADMINISTRATOR'S REPORT:

- The Central Park Land Diversion application was heard by the DEP and concerns were there was a potential easement that wasn't adequately concerned, valuations of properties and only conceptual plans were presented. Will be receiving full report later in the week.
- FLAP grant is moving forward, the Federal Highway Administration is giving \$60,000 and Fish and Wildlife is giving \$100,000.
- Clarified that White bridge Road Bridge will be repaved from a County grant this April.
- Work will begin on the light on Mountain and Valley scheduled for Monday, January 27.
- Township Committee adopted the Municipal Consent Ordinance which now allows New Jersey American Water to apply to the BPU. BPU will need to approve the purchase which can take 4-6 months. In meeting with NJAM it was decided Long Hill will send out sewer bills for all of 2020.
- New Jersey Transit will be replacing the culvert under railroad track in Millington near Old Mill Road and Oaks Road in spring 2020. Don't anticipate any train delays but will confirm closer to replacement.
- Administrator Malool reported that the stain glass window at Millington Schoolhouse has been broken for 7 years and isn't actually stained glass. Lisa Scanlon received five quotes to replace ranging from \$1,300 to \$3,860 to replace with glass or stained glass. Looking at old pictures the actual schoolhouse had a wooden louver. Administrator Malool has reached out to HPAC with how they would like to continue.

DISCUSSION:

- Committeeman Dorsi and DPW Director Gallo have noticed illegal dumping at DPW. Discussion ensued about enforcing with cameras, signage and sticker options. Over the next week there will be someone monitoring.
- Planning Board Redevelopment was tabled as Committeeman Verlezza would like to ask questions to Planner Jessica.
- Administrator Malool requested we switch back to Edmunds as the current system isn't user-friendly. CFO recently negotiated a 10% decrease from last year's quote making it \$32,100. Quote included five years of record conversion and yearly maintenance fee would be \$5,357. Township Committee approved.

- There are inconsistencies in the current tree ordinance and the Township Committee discussed how to proceed. The conversation was tabled until a further meeting.
- Committeeman Dorsi and Administrator Malool shared JCPL would replace the lights on valley road. There would be clarification if there would be a cost at a further meeting.
