PARKS AND RECREATION

# Week 1

## Circus Week

### Summer Rec Camp

Thank you everyone for a great Week 1 at Camp! I hope your camper enjoyed it as much as we did!

On our first day, we got into the groove right away. Our campers got to know everyone in their groups quickly, and we made drawstring bags in Art with Miss Sophia, Miss Emily and Miss Julia.

On Day 2, Rizzo's Reptiles and Furry Friends came to visit. Darth Vader the Chinchilla was one of the big hits.

Thank you Miss Zelda (aka Bailey) for bringing lots of good fortunes to our campers!

On Day 3, Miss Zelda (aka Bailey) told the campers their fortunes. Of course they all were good, and there are bright futures in store for our campers. While the campers waited for their fortunes, they all used their circus tickets to get a bucket of popcorn.

Day 4 , we welcomed Laser Tag—one of our most popular activities!

After a tough battle during Laser Tag, all campers were able to enjoy a refreshing Ice Pop. We think all agreed this was a great day!

Finally, on Day 5, our campers all came in wearing their Crazy Socks! These campers did not disappoint!

Make sure to check our Instagram account

Longhillparksrec to see the video of our “happy feet” at camp today! You’ll want to be sure to be watching Longhillparksrec all during camp to see the fun we’re having!

Our campers also had a lot of fun in art with shaving cream paintings!

We hope to see most of our campers but next week, but we know a lot have holiday getaway plans. If that’s your plan—we wish you a Happy 4th of July! We hope to see you again at camp when you get back .

Thank you for sharing your campers with us this week!
