

**AGREEMENT FOR IMPLEMENTATION OF  
AN INTERFACE WITH THE COUNTY RADIO SYSTEM (TANGO TANGO)**

This agreement, made and entered into this 22<sup>nd</sup> day of June  
by and between the County of Morris (hereinafter "**County**") and Long Hill Township  
(hereinafter "**Municipality**")

**WITNESSETH**

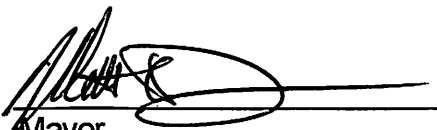

**WHEREAS**, the **Municipality** has requested a third-party connection to the **County** radio system, utilizing the cellular phone system, allowing for remote connectivity to the radio system of cellular phone devices, and the **County** has the ability to make the connection available, on the terms set forth:

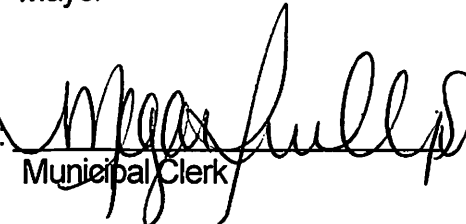

**NOW, THEREFORE**, it is understood and agreed as follows:

1. The **County** will provide the "donor" radio that allows a third-party device (Tango Tango) to connect to the **County** radio system and install a communication device that accesses the cellular phone network.
2. The **County** has allowed the Long Hill Township Police Department to connect six (6) remote devices to the donor radio thereby accessing the **County** radio system.
3. The **County** agrees to maintain and pay for the connection fees for the donor radio and six (6) remote devices, during the time the new **County** radio system is being constructed, specifically, the Wagner Farm, Warren Township radio tower site.
  - a. No additional devices are to be connected to the third-party connection without the permission of the **County**.
4. Upon the completion of the new **County** radio system, the **County** and **Municipality** will evaluate the need to maintain the third-party connection.
  - a. The **County** reserves the right to discontinue the third-party connection, at any time, if the third-party connection interferes with the operational effectiveness of the current **County** radio system.
  - b. The **Municipality** may request that the **County** maintain the third-party connection after the new **County** radio system is completed and is operational.
    - a. If the **County** grants such permission, the **Municipality** may be responsible for all costs associated with maintaining the third-party connection.

**IN WITNESS THEREOF**, the parties hereto have caused their authorized officials to affix their signatures and proper corporate seals, the day and year first written above.
